

REFERRAL FORM

Our Celebration works with adults recovering from mental ill-health to help them achieve outcomes that will progress them towards recovery, social inclusion and integration in mainstream activity such as learning, volunteering or employment.

We carry out this work through a variety of projects that are supported by one-to-one mentoring and motivational / goal planning work designed to facilitate recovery.

Please complete the following form on behalf of the person you are referring and return it to Our Celebration. An electronic version of this form is available on our website at www.ourcelebration.org.uk.

Our Celebration aims to promote recovery and progression in order to help people improve their quality of life – to do this we need to know what differences people want us to help them achieve.

1. Please tell us what outcomes your client hopes to achieve by attending Our Celebration? Please try to make these outcomes as specific as possible so that we can provide feedback on progress and measure when they have been achieved.

Outcomes should be SMART (**S**pecific, **M**easurable, **A**chievable, **R**ealistic and **T**ime Limited)

For example: John will move into regular voluntary work by January 2010; Mary will begin studying an English course at York College by September 2011; Jack will feel comfortable using his local library by May 2010; Jane will have the confidence to use public transport by March 2010 etc.
